

Sponsor-a-Dog or a cat

If you love animals but can't have one where you live, or if you live overseas, why not Sponsor-a-Dog.

For a minimum donation of Lm12 per annum you can sponsor one of the animals at the SPCA Centre. That's just Lm1 a month. We will send you a photograph of your sponsored animal along with the details of how it came to be with us. Then we will update you regularly on its progress.

Your donation will go towards the feeding, upkeep and veterinary care of the animal you have sponsored, and if your sponsored animal should be re-homed, we will transfer your sponsorship to another deserving animal and update you with the details. Visit our website, www.sPCA-goZo.org, and see some of the lovely animals in our care.

Fill in your details and send them to:
